5 For the Filling:

Beat the eggs with 100ml water and pour into a saucepan. Add the sugar, lemon zest, lemon juice and butter. Heat gently, stirring, until the butter has melted and the sugar dissolved. Strain through a sieve into the pastry case and carefully transfer to the oven. Bake for about 20 minutes until the filling is lightly set.

6 For the Meringue:

Make up the Egg White Powder following the instructions on pack. Beat with a hand held electric whisk until softly peaking. Gradually beat in the sugar, a tablespoonful at a time, beating well between each addition until the meringue is thick and glossy.

7 Spread the meringue over the lemon filling, peaking it lightly with a palette knife. Return to the oven for a few minutes until the meringue peaks are golden. Watch very closely as the meringue with brown very quickly. Leave to cool before serving.
